Currently, Michigan law requires many official activities and statements such as notices of upcoming elections, zoning changes and possible millage increases to be published in local newspapers. The purpose behind this law is to provide as much notice to the public as possible of government actions that will take place or are planned to take place. Newspaper publication also serves as a permanent record of governmental actions, serves an important due process function and helps assure that information received by the public is unfiltered, reliable and independent of governmental influences. Legislation being considered in Lansing would remove the requirement for publication of government actions in local newspapers and instead, require these public notices to be placed on the state, city or township government web sites. Please answer the following questions with the above statements in mind:

4. Do you feel that providing public notices of governmental actions in a printed newspaper is important to Michigan citizens? Yes
5. Would you oppose or support legislation to end newspaper publication of public notices? Oppose
