

SUNSHINE

MATTERS

A hike in taxes, but you didn't know.

Drilling on state land, but without public input.

Toxic water polluting the community, but with no warning to you.

Sunshine Act and Right-to-Know laws prevent scenarios such as these by guaranteeing your right to access government meetings and public records. These laws ensure government transparency and accountability, the cornerstone of democracy.

Our journalists fight for access to government activity to keep you informed, securing your vital role in public decision-making.

Newspapers provide sunshine in the darkness.
