*Embargo: Do not release before 4:00 p.m., Thursday, March 17, 2022*

## Statewide Contest Spotlights Quality Journalism

Members of Arkansas Press Association reviewed 2,909 entries submitted by 96 Michigan newspapers/Individual members this year. The competition inspires all journalists to produce their best work, which in turn, nurtures stronger communities.

"It's clear the huge amount of work our collective newsrooms are doing all over the state to serve their communities. Covering our beats is crucial work that supports the democratic process in each community in Michigan; it's work that supports the spirit of each community we serve. We have wonderful examples here of the tremendous talent we have in our state. These recent years have been difficult, but we will look back on these times with pride for all the positive impact we're having on our readers". Paul J. Heidbreder, Michigan Press Association President and Publisher of the Traverse City Record-Eagle
