

Enrollment Agreement (the "Agreement")

Dear Subscriber:

We are thrilled to have _____ as a partner in this new venture. If you sign this agreement below, DLNP will, within 3 days, provide login information to PublicNotice2.0 to you and your staff.

TERMS

General Terms. For a cost of \$5.00 per insertion, _____ ("Participating Newspaper") will receive a link from your website to PublicNotice2.0:

- Ability to upload public and legal notices from your newspaper to the statewide database.
- Retrieve public and legal notices through the searchable database by computer, tablet or smartphone.
- Support requests from local and statewide policymakers to migrate all notices to digital and maintaining notices in our newspapers.

NOTES & CLARIFICATIONS

The enrollment cost of \$5.00 is a per insertion fee. Newspapers may automate the uploading of notices using the API parameters provided in the system.

DLNP will provide a sophisticated database driving the public notice connection between the newspapers and the public. It is much more than a website., The platform functionality provides interactivity and a high level of cybersecurity.

PROGRAM DETAILS

- DLNP to provide the comprehensive PublicNotice2.0 and portal website to store and access notices statewide.
- DLNP with its software vendor will provide a comprehensive PublicNotice2.0 capable of meeting the parameters to archive, search and provide alerts with a high level of cybersecurity for computers, tablets and smartphones.
- The fees will be \$5.00 per insertion. There will be a annual \$100.00 credit card charge credited to your account to activate the billing system.
- A website is incorporated in the platform, allowing a sophisticated database to drive the public notice interactivity between the newspapers and public.
- The platform will incorporate an API to allow newspapers to automatically upload notices into the system once they've programmed the interface.
