2. Entrants may include brief background information on the community or communities they serve, publishing conditions of the newspaper or about the entry itself. Please use the “Comments” area when submitting your entry to convey this to the judges. Communication to the judge must be included with each entry, rather than one letter covering all entries.

Frequently Asked Questions

What file formats may be used to enter the contest?

If you are not using a URL to link to your entry, the best file format to use is a low-resolution PDF. Please combine multiple PDFs and compress to the recommended size of 5mb or lower. Acceptable file types are PDF, JPG, GIF, and PNG — NO Word files!

What if my information is wrong or my paper is not listed?

Contact bnc@michiganpress.org and your information will be reviewed.

What combination of online and print publications can I use?

With this year's contest, website work can be included with writing entries. Online-only news sources would provide URLs to their entries, but any print newspaper may submit online-only work as well as supplemental digital work that support a printed story. Submit the URL along with the PDF of a story.

Unsure what you can submit from your newspaper's website? For example, if you published a feature story that had one large photograph in the print edition, but an entire gallery of photographs online, can you submit a URL to the story online along with a PDF of what was printed? The answer is YES.... within reason. If the gallery was a large component of your story and readers were directed there (because staff spent significant time editing said gallery), then it is relevant to your story. If it is just a little "something extra," then do not submit the URL to the online gallery. Judges have a LOT to judge, and their focus should be on material relevant to the story.

Do I need to send anything to Michigan Press Association World Headquarters?

The entire contest is online only this year. You can even pay online with credit card or PayPal. Please follow payment instructions at BetterNewspaperContest.com.

How can I make my PDF files smaller?

Most newspaper PDFs include high-resolution grayscale or CMYK images for printing. However, PDF contest entries will be viewed and judged on a computer monitor, which displays at low resolution (72-96dpi) in RGB color. Changes in the resolution and color mode of images are the most effective ways to reduce file size without sacrificing quality.

1. Resolution. In PDFs, text is always clear regardless of resolution: resolution relates only to photos and rasterized graphics. Reducing resolution by half reduces image file size by 75%.

The recommended maximum resolution of 96dpi can be enforced by Distiller settings.

2. Color mode. Converting from CMYK to RGB color will reduce image file size by another 25%. This color conversion can again be enforced by Distiller settings.

If you reduce image resolution and/or convert color mode in your entry PDFs with a PDF editor (e.g., Enfocus Pitstop or Quite a Box of Tricks) or use the native profiling/editing tools in Acrobat 6 or later, YOU WILL NOT GAIN THE EXPECTED REDUCTION IN FILE SIZE unless you redistill the PDF afterward.

When will we see the results of the contest?

Contest results will be announced in 2023. Certificates will be mailed shortly after.

Who can enter the Open Class Contests?

If you are a member college publication and your dues are paid, you can enter.

How do I know what to write in my entry descriptions?

First, know that whatever you write in your entry fields is what the judges will see. We WILL NOT edit what you put there, so if you credit “PeeWee Herman” with writing a story that is who the judges will see. Also, PeeWee will be awarded a certificate, because we will use entry titles and credits to print on awards. Being simple and direct with your descriptions is best. If an entire staff is responsible for an entry, simply write “staff” in the credits.

What if there are several run dates for my one entry?

You must enter a run date. Please enter the earliest date of the entry and the remaining dates in the comment section.
