

# 2024 MPA Better Newspaper Contest

## Statewide Contest Spotlights Quality Journalism

Members of the Wisconsin Press Association reviewed 349 entries submitted by 13 Michigan News Media members this year. The competition inspires all journalists to produce their best work, which in turn nurtures stronger communities.

“The annual Michigan Press Association Better Newspaper Contest gives our members a chance each year to assess and put forth their team’s best work in journalism, photojournalism, column writing, graphic design and advertising. After the judges have reviewed the thousands of submissions and made their decisions, awards will be given, bragging rights established and perhaps a few toasts made to the winners. It is a rare moment in our profession where we allow ourselves to reflect and experience something akin to satisfaction for a job well done. Anyone in this business today is in it, not for kudos, but because of a passion and desire to serve our readers, our advertisers and our communities. For us the work is the reward. But on the occasion of MPA BNC contest awards, let’s take a moment to say to all our coworkers and all our colleagues — Good job! And to the winners — Congratulations!”

— Wes Smith, Michigan Press Association Past-President and Group Publisher of View Newspaper Group
